Name: Anonymous Anonymous
Address: United States,

General Comment

EAR 772.1 Definitions:

Add definitions for “form”, “fit” and “function”.

“Digital Computer” definition specifies Categories 4 and 5. Need to add Category 3 now to the definition.

“Specially designed” (b)(1) needs to state that CJs take precedence over the new rules or state that CJs need to be resubmitted if they do not explicitly address parameters in the new rules.
