**ORDER**

The Office of Antiboycott Compliance, Bureau of Industry and Security, United States Department of Commerce ("BIS"), has determined to initiate an administrative proceeding pursuant to Section 11(c) of the Export Administration Act of 1979, as amended (50 U.S.C. §§ 2401-2420 (2000)) (the "Act")<sup>1</sup> and the Export Administration Regulations (currently codified at 15 C.F.R Parts 730-774 (2012)) (the "Regulations"), against Dover Energy Inc (formerly, Dover Fluid Management Inc), Norriseal Division, ("Norriseal"), a domestic concern, organized under the laws of the United States and doing business in the State of Texas, based on allegations set forth in the Proposed Charging Letter, dated 31 May 2012, that alleged that Norriseal committed ten violations of the Regulations.

<sup>1</sup> Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent of which was August 12, 2011 (76 Fed. Reg. 50661 (August 16, 2011)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. §§ 1701-1707 (2000)).

Specifically, the charges are:

1. *Four Violations of 15 C.F.R. §760.2(d) - Furnishing Information about Business Relationships with Boycotted Countries or Blacklisted Persons*

During the years 2007 through 2008, Norriseal engaged in transactions involving the sale and/or transfer of goods or services (including information) from the United States to Pakistan, activities in the interstate or foreign commerce of the United States, as defined in Section 760.1(d) of the Regulations.

In connection with these activities, on four occasions, Norriseal, with intent to comply with, further or support an unsanctioned foreign boycott, furnished information, concerning its or another person's business relationships with or in a boycotted country, an activity prohibited by Section 760.2(d) of the Regulations, and not excepted.

2. *Six Violations of 15 C.F.R. §760.5 - Failing to Report the Receipt of a Request to Engage in a Restrictive Trade Practice or Foreign Boycott Against a Country Friendly to the United States*

During the years 2007 through 2008, Norriseal engaged in transactions involving the sale and/or transfer of goods or services (including information) from the United States to Pakistan, activities in the interstate or foreign commerce of the United States, as defined in Section 760.1(d) of the Regulations.

In connection with these activities, Norriseal, on six occasions, received a request to take an action which would have the effect of furthering or supporting a restrictive trade practice or unsanctioned foreign boycott. Norriseal failed to report its receipts of these requests to the Department of Commerce, as directed by Section 760.5 of the Regulations.

BIS and Norriseal have entered into a Settlement Agreement pursuant to Section 766.18(a) of the Regulations whereby the parties have agreed to settle this matter in accordance with the terms and conditions set forth therein and the terms of the Settlement Agreement have been approved by me.

IT IS THEREFORE ORDERED THAT:

FIRST, a civil penalty of \$22,000 is assessed against Norriseal and shall be paid to the U.S. Department of Commerce within 30 days from the date of entry of this Order. Payment of this sum shall be made in the manner specified in the attached instructions.

SECOND, pursuant to the Debt Collections Act of 1982, as amended (31 U.S.C. §§ 3701-3720E (1983 and Supp. 2001)), the civil penalty owed under this Order accrues interest as more fully described in the attached Notice and, if payment is not made by the due date specified herein, Norriseal will be assessed, in addition to the full amount of the penalty and interest, a penalty charge and an administrative charge, as more fully described in the attached Notice.

THIRD, the timely payment of the sum of \$ 22,000 is hereby made a condition to the granting, restoration or continuing validity of any export license, permission, or privilege granted, or to be granted, to Norriseal.

Accordingly, if Norriseal should fail to pay the civil penalty in a timely manner, the undersigned may enter an Order denying all of Norriseal's export privileges for a period of one year from the date of the entry of this Order.

FOURTH, the Proposed Charging Letter, the Settlement Agreement and this Order shall be made available to the public, and a copy of this Order shall be served upon Norriseal.

This Order, which constitutes the final agency action in this matter, is effective immediately.

## NOTICE

The Order to which this Notice is attached describes the reasons for the assessment of the civil monetary penalty. It also specifies the amount owed and the date by which payment of the civil penalty is due and payable.

Under the Debt Collection Act of 1982, as amended (31 U.S.C. §§ 3701-3720E (1983 and Supp. 2001)) and the Federal Claims Collection Standards (65 Fed. Reg. 70390-70406, November 22, 2000, to be codified at 31 C.F.R. Parts 900-904), interest accrues on any and all civil monetary penalties owed and unpaid under the Order, from the date of the Order until paid in full. The rate of interest assessed respondent is the rate of the current value of funds to the U.S. Treasury on the date that the Order was entered. However, interest is waived on any portion paid within 30 days of the date of the Order. See 31 U.S.C. §3717 and 31 C.F.R. §901.9.

The civil monetary penalty will be delinquent if not paid by the due date specified in the Order. If the penalty becomes delinquent, interest will continue to accrue on the balance remaining due and unpaid, and respondent will also be assessed both an administrative charge to cover the cost of processing and handling the delinquent claim and a penalty charge of six percent per year. However, although the penalty charge will be computed from the date that the civil penalty becomes delinquent, it will be assessed only on sums due and unpaid for over 90 days after that date. See 31 U.S.C. §3717 and 4 C.F.R. §901.9.

The foregoing constitutes the initial written notice and demand to respondent in accordance with Section 901.2 of the Federal Claims Collection Standards (31 C.F.R. §901.2(b)).

  - B. Request a refund of the funds paid by Norriseal pursuant to this Settlement Agreement and the Order, when entered; or
  - C. Seek judicial review or otherwise contest the validity of this Settlement Agreement or the Order, when entered.
5. BIS, upon entry of the Order, will not initiate any administrative or judicial proceeding, or make a referral to the Department of Justice for criminal proceedings against Norriseal with respect to any violation of Section 8 of the Act or Part 760 of the Regulations arising out of the transactions set forth in the Proposed Charging Letter or any other transaction that was disclosed to or reviewed by BIS in the course of its investigation.

6. Norriseal understands that BIS will disclose publicly the Proposed Charging Letter, this Settlement Agreement, and the Order, when entered.
7. This Settlement Agreement is for settlement purposes only, and does not constitute an admission by Norriseal that it has violated the Regulations, or an admission of the truth of any allegation contained in the Proposed Charging Letter or referred to in this Settlement Agreement.

Therefore, if this Settlement Agreement is not accepted and the Order not entered by the Assistant Secretary for Export Enforcement, BIS may not use this Settlement Agreement against Norriseal in any administrative or judicial proceeding.

This paragraph shall not limit Norriseal's right to challenge any action brought by any other agency based on a referral by BIS or any employee thereof, in contravention of paragraph 5 of this Settlement Agreement.

31 May 2012

Dover Energy Inc  
3005 Highland Parkway  
Downers Grove, IL 60515

Case No. 12.03

Gentlemen/Ladies:

We, the Office of Antiboycott Compliance, Bureau of Industry and Security, United States Department of Commerce ("BIS"), have reason to believe that you, Dover Energy Inc (formerly, Dover Fluid Management Inc), Norriseal Division, on ten occasions, have violated the Export Administration Regulations (currently codified at 15 C.F.R. Parts 730-774 (2012)) (the "Regulations"),<sup>1</sup> which are issued under the authority of the Export Administration Act of 1979, as amended (50 U.S.C. app. §§ 2401-2420 (2000)) (the "Act").<sup>2</sup>

We charge that you committed four violations of Section 760.2(d) of the Regulations, in that, on four occasions, with intent to comply with, further or support an unsanctioned foreign boycott, you furnished information concerning your or another person's past, present or proposed business relationships with or in a boycotted country, with a business concern organized under the laws of a boycotted country, or with a national or resident of a boycotted country (§760.2(d)).

We also charge that you committed six violations of Section 760.5 of the Regulations, in that, on six occasions, you failed to report to the Department of Commerce ("Department") your receipt of a request to engage in a restrictive trade practice or boycott, as required by the Regulations.

---

<sup>1</sup> The transactions and violations alleged occurred during the years 2007 and 2008. The Regulations governing the violations at issue are found in the 2007 and 2008 versions of the Code of Federal Regulations (15 C.F.R. Parts 730-774 (2007 and 2008)). The prior years' Regulations are substantially the same as the 2012 version of the Regulations which governs the procedural aspects of this matter.

<sup>2</sup> Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent of which was August 12, 2011 (76 Fed. Reg. 50661 (August 16, 2011)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. §§ 1701-1707 (2000)).

We allege that:

You, Dover Energy Inc (formerly, Dover Fluid Management Inc), Norriseal Division, are, and at all times relevant were, a domestic concern, organized under the laws of the United States and doing business in the State of Texas; as such, you are a United States person, as defined in Section 760.1(b) of the Regulations.

During the period 2007 through 2008, you engaged in transactions involving the sale and/or transfer of goods or services (including information) from the United States to Pakistan, activities in the interstate or foreign commerce of the United States, as defined in Section 760.1(d) of the Regulations.

**Charges 1 - 4 (15 C.F.R. § 760.2(d) - Furnishing Information about Business Relationships with Boycotted Countries or Blacklisted Persons)**

Providing the information described in Table A, with intent to comply with, further or support an unsanctioned foreign boycott, is an activity prohibited by Section 760.2(d) of the Regulations, and not excepted. We therefore charge you with four violations of Section 760.2(d).

**Charges 5 - 10 (15 C.F.R. § 760.5 - Failing to Report the Receipt of a Request to Engage in a Restrictive Trade Practice or Foreign Boycott Against a Country Friendly to the United States)**

In connection with the activities referred to above, during the period 2007 through 2008, on six occasions, you received a request, as described in Table B, which is attached and incorporated herein by this reference, to take an action which would have the effect of furthering or supporting a restrictive trade practice or unsanctioned foreign boycott.

Section 760.5 of the Regulations requires United States persons to report to the Department their receipts of such requests. You failed to report to the Department your receipts of these requests.

By failing to report your receipts of these requests, as directed by Section 760.5 of the Regulations, you are in violation of Section 760.5. We therefore charge you with six violations of Section 760.5 of the Regulations.

Accordingly, administrative proceedings are instituted against you pursuant to Part 766 of the Regulations for the purpose of obtaining an Order imposing administrative sanctions.<sup>3</sup>
