**ORDER**

The Office of Antiboycott Compliance, Bureau of Industry and Security, United States Department of Commerce (“BIS”), having determined to initiate an administrative proceeding pursuant to Section 11(c) of the Export Administration Act of 1979, as amended (50 U.S.C. §§ 2401-2420 (2000)) (the “Act”)<sup>1</sup> and the Export Administration Regulations (currently codified at 15 C.F.R Parts 730-774 (2010)) (the “Regulations”), against Thermon Far East, Ltd (Japan) (“Thermon Far East”), a controlled-in-fact foreign subsidiary of a domestic concern, based on allegations set forth in the Proposed Charging Letter, dated 17 June 2010, that alleged that Thermon Far East committed four violations of the Regulations;

<sup>1</sup> Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent of which was August 13, 2009 (74 Fed. Reg. 41325 (August 14, 2009)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. §§ 1701-1707 (2000)).

Specifically, the charges are:

1. *Four Violations of 15 C.F.R. §760.2(d) - Furnishing Information about Business Relationships with Boycotted Countries or Blacklisted Persons*

During the years 2003 and 2004, Thermon Far East engaged in transactions involving the sale and/or transfer of goods or services (including information) from the United States to Libya, activities in the interstate or foreign commerce of the United States, as defined in Section 760.1(d) of the Regulations. In connection with these activities, on four occasions, Thermon Far East, with intent to comply with, further or support an unsanctioned foreign boycott, furnished information concerning its or another person's business relationships with other persons known or believed to be restricted from having any business relationships with or in a boycotting country, an activity prohibited by Section 760.2(d) of the Regulations, and not excepted.

BIS and Thermon Far East having entered into a Settlement Agreement pursuant to Section 766.18(a) of the Regulations whereby the parties have agreed to settle this matter in accordance with the terms and conditions set forth therein and the terms of the Settlement Agreement having been approved by me;

IT IS THEREFORE ORDERED THAT:

FIRST, a civil penalty of \$ 12,000 is assessed against Thermon Far East and shall be paid to the U.S. Department of Commerce within 30 days from the date of entry of this Order. Payment of this sum shall be made in the manner specified in the attached instructions

SECOND, pursuant to the Debt Collections Act of 1982, as amended (31 U.S.C. §§ 3701-3720E (1983 and Supp. 2001)), the civil penalty owed under this Order accrues interest as more fully described in the attached Notice and, if payment is not made by the due date specified herein, Thermon Far East will be assessed, in addition to the full amount of the penalty and interest, a penalty charge and an administrative charge, as more fully described in the attached Notice.

THIRD, the timely payment of the sum of \$ 12,000 is hereby made a condition to the granting, restoration or continuing validity of any export license, permission, or privilege granted, or to be granted, to Thermon Far East.

Accordingly, if Thermon Far East should fail to pay the civil penalty in a timely manner, the undersigned may enter an Order denying all of Thermon Far East's export privileges for a period of one year from the date of the entry of this Order.

FOURTH, the Proposed Charging Letter, the Settlement Agreement and this Order shall be made available to the public, and a copy of this Order shall be served upon Thermon Far East.

This Order, which constitutes the final agency action in this matter, is effective immediately.

## NOTICE

The Order to which this Notice is attached describes the reasons for the assessment of the civil monetary penalty. It also specifies the amount owed and the date by which payment of the civil penalty is due and payable.

Under the Debt Collection Act of 1982, as amended (31 U.S.C. §§ 3701-3720E (1983 and Supp. 2001)) and the Federal Claims Collection Standards (65 Fed. Reg. 70390-70406, November 22, 2000, to be codified at 31 C.F.R. Parts 900-904), interest accrues on any and all civil monetary penalties owed and unpaid under the Order, from the date of the Order until paid in full. The rate of interest assessed respondent is the rate of the current value of funds to the U.S. Treasury on the date that the Order was entered. However, interest is waived on any portion paid within 30 days of the date of the Order. See 31 U.S.C. §3717 and 31 C.F.R. §901.9.

The civil monetary penalty will be delinquent if not paid by the due date specified in the Order. If the penalty becomes delinquent, interest will continue to accrue on the balance remaining due and unpaid, and respondent will also be assessed both an administrative charge to cover the cost of processing and handling the delinquent claim and a penalty charge of six percent per year. However, although the penalty charge will be computed from the date that the civil penalty becomes delinquent, it will be assessed only on sums due and unpaid for over 90 days after that date. See 31 U.S.C. §3717 and 4 C.F.R. §901.9.

The foregoing constitutes the initial written notice and demand to respondent in accordance with Section 901.2 of the Federal Claims Collection Standards (31 C.F.R. §901.2(b)).

6. Thermon Far East understands that BIS will disclose publicly the Proposed Charging Letter, this Settlement Agreement, and the Order, when entered.
7. This Settlement Agreement is for settlement purposes only, and does not constitute an admission by Thermon Far East that it has violated the Regulations, or an admission of the truth of any allegation contained in the Proposed Charging Letter or referred to in this Settlement Agreement.

Thermon Far East, Ltd  
2<sup>nd</sup> Floor, Recruit Yokohama Building  
6-3 Kinko-Cho, Kanagawa-ku  
Yokohama 221-0056, Kanagawa

Case No. 09. 20(A)

Gentlemen/Ladies:

We, the Office of Antiboycott Compliance, Bureau of Industry and Security, United States Department of Commerce ("BIS"), have reason to believe that you, Thermon Far East, Ltd (Japan), on four occasions, have violated the Export Administration Regulations (currently codified at 15 C.F.R. Parts 730-774 (2010)) (the "Regulations"),<sup>1</sup> which are issued under the authority of the Export Administration Act of 1979, as amended (50 U.S.C. app. §§ 2401-2420 (2000)) (the "Act").<sup>2</sup>

We charge that you committed four violations of Section 760.2(d) of the Regulations, in that, on four occasions, with intent to comply with, further or support an unsanctioned foreign boycott, you furnished information concerning your or another person's business relationships with other persons known or believed to be restricted from having any business relationships with or in a boycotting country.

---

<sup>1</sup> The alleged violations occurred during the years 2003 and 2004. The Regulations governing the violations at issue are found in the 2003 and 2004 versions of the Code of Federal Regulations (15 C.F.R. Parts 730-774 (2003 and 2004)). The prior years' Regulations are substantially the same as the 2010 version of the Regulations which govern the procedural aspects of this matter.

<sup>2</sup> Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent of which was August 13, 2009 (74 Fed. Reg. 41325 (August 14, 2009)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. §§ 1701-1707 (2000)).

We allege that:

Thermon Manufacturing Company ("Thermon US") is, and at all times relevant was, a domestic concern incorporated in the State of Texas and, as such, a United States person as defined in Section 760.1(b) of the Regulations.

You, Thermon Far East, Ltd (Japan) are, and at all times relevant were, a company registered under the laws of Japan and a wholly-owned subsidiary of Thermon US. Accordingly, you are a controlled-in-fact foreign subsidiary of a domestic concern, as defined in Section 760.1(c) of the Regulations and, as such, a United States person, as defined in Section 760.1(b) of the Regulations.

During the years 2003 and 2004, you engaged in transactions involving the sale and/or transfer of goods or services (including information) from the United States to Libya, activities in the interstate or foreign commerce of the United States, as defined in Section 760.1(d) of the Regulations.

**Charges 1 - 4 (15 C.F.R. § 760.2(d) - Furnishing Information about Business Relationships with Boycotted Countries or Blacklisted Persons)**

In connection with the activities referred to above, on four occasions, you furnished to persons in Japan information, as described in Table A, which is attached and incorporated herein by this reference, concerning your or another person's business relationships with other persons known or believed to be restricted from having any business relationships with or in a boycotting country.

Providing the information described in Table A, with intent to comply with, further or support an unsanctioned foreign boycott, is an activity prohibited by Section 760.2(d) of the Regulations, and not excepted. We therefore charge you with four violations of Section 760.2(d).

Accordingly, administrative proceedings are instituted against you pursuant to Part 766 of the Regulations for the purpose of obtaining an Order imposing administrative sanctions.<sup>3</sup>

You are entitled to a hearing on the record as provided in Section 766.6 of the Regulations. If you wish to have a hearing on the record, you must file a written demand for it with your answer. You are entitled to be represented by counsel and, under Section 766.18 of the Regulations, to seek a settlement agreement.

---

<sup>3</sup> Administrative sanctions may include any or all the following:

- a. A maximum civil penalty of the greater of \$250,000 per violation or twice the value of the transaction that is the basis of the violation (see International Emergency Economic Powers Enhancement Act of 2007, Pub. L. No. 110-96, 121 Stat. 1011 (2007)).
- b. Denial of export privileges (see § 764.3(a)(2) of the Regulations); and/or
- c. Exclusion from practice before BIS (see § 764.3(a)(3) of the Regulations).

Under the Small Business Regulatory Enforcement Flexibility Act, you may be eligible for assistance from the Office of the National Ombudsman of the Small Business Administration in this matter.<sup>4</sup>

If you fail to answer the allegations contained in this letter within thirty (30) days after service as provided in Section 766.6, such failure will be treated as a default under Section 766.7.

As provided in Section 766.3, I am referring this matter to the Administrative Law Judge.
