Attn: Jim Etheridge
General Counsel

Dear Mr. Etheridge:

The Bureau of Industry and Security, U.S. Department of Commerce ("BIS"), has reason to believe that Electronics For Imaging, Inc. ("EFI"), of Foster City, California, as successor to VUTEk, Inc., has committed four violations of the Export Administration Regulations (the "Regulations"), which are issued under the authority of the Export Administration Act of 1979, as amended (the "Act"). Specifically, BIS charges that EFI committed the following violations:

Charges 1-4 15 C.F.R. § 764.2(a): Exports of Printer Parts/Components to Syria Without Licenses

As described in further detail in the attached Schedule of Violations, which is incorporated herein by reference, between on or about July 16, 2004 and on or about November 30, 2004, EFI engaged in conduct prohibited by the Regulations by exporting printer parts and components, items subject to the Regulations and designated EAR99, to Syria without the required Department of Commerce license. The export of these items required a license from the

2 50 U.S.C. app. §§ 2401-2420 (2000). Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), which has been extended by successive presidential notices, the most recent being that of July 23, 2008 (73 FR 43603 (July 25, 2008)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. §§ 1701 - 1707 (2000)) ("IEEPA").
Department of Commerce pursuant to General Order No. 2, set forth in Supplement No. 1 to Part 736 of the Regulations, which implements the Syria Accountability and Lebanese Sovereignty Act of 2003 (Pub. L. No. 108–175). In so doing, EFI committed four violations of section 764.2(a) of the Regulations.

Accordingly, EFI is hereby notified that an administrative proceeding is instituted against it pursuant to Section 13(c) of the Act and Part 766 of the Regulations for the purpose of obtaining an order imposing administrative sanctions, including any or all of the following:

The maximum civil penalty allowed by law of $250,000 per violation;\(^3\)

Denial of export privileges; and/or

Exclusion from practice before BIS.

If EFI fails to answer the charges contained in this letter within 30 days after being served with notice of issuance of this letter, that failure will be treated as a default. See 15 C.F.R. §§ 766.6 and 766.7. If EFI defaults, the Administrative Law Judge may find the charges alleged in this letter are true without a hearing or further notice to EFI. The Under Secretary of Commerce for Industry and Security may then impose up to the maximum penalty for the charges in this letter.

EFI is further notified that it is entitled to an agency hearing on the record if it files a written demand for one with its answer. See 15 C.F.R. § 766.6. EFI is also entitled to be represented by counsel or other authorized representative who has power of attorney to represent it. See 15 C.F.R. §§ 766.3(a) and 766.4.

The Regulations provide for settlement without a hearing. See 15 C.F.R. § 766.18. Should EFI have a proposal to settle this case, EFI or its representative should transmit it to the attorney representing BIS named below.

 EFI is further notified that under the Small Business Regulatory Enforcement Flexibility Act, EFI may be eligible for assistance from the Office of the National Ombudsman of the Small Business Administration in this matter. To determine eligibility and get more information, please see: http://www.sba.gov/ombudsman/.
