ORDER RELATING TO BOB RAHIMZADEH

The Bureau of Industry and Security, U.S. Department of Commerce (“BIS”), initiated this administrative proceeding against Bob Rahimzadeh (“Rahimzadeh”) pursuant to Section 766.3 of the Export Administration Regulations (the “Regulations”),¹ and Section 13(c) of the Export Administration Act of 1979, as amended (the “Act”),² through the issuance and filing of a charging letter as to Rahimzadeh that alleges that Rahimzadeh has committed four violations of the Regulations (“Charging Letter”). Specifically, these charges are:

Charge 1 15 C.F.R. § 764.2(b) – Causing, Aiding or Abetting

Between on or about July 26, 2004, and on or about September 28, 2004, Rahimzadeh caused, aided or abetted the doing of an act prohibited by the Regulations by facilitating or coordinating the export of approximately 174 rolls of hog hair filter media, part number HH60130 and valued

¹ The Regulations are currently codified in the Code of Federal Regulations at 15 C.F.R. Parts 730-774 (2009). The violations occurred in 2004 and 2005. The Regulations governing the violation at issue are found in the 2004 and 2005 versions of the Code of Federal Regulations (15 C.F.R. Parts 730-774 (2004 - 2005)). The 2009 Regulations establish the procedures that apply to this matter.

² 50 U.S.C. app. §§ 2401-2420 (2000). Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R. 2001 Comp. p. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 13, 2009 (74 Fed. Reg. 41,325 (Aug. 14, 2009)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. § 1701, *et seq.*) (“IEEPA”).

at approximately \$11,687.76, items which are subject to the Regulations and designated as EAR99 items,³ through the United Arab Emirates (“U.A.E.”) to Iran without the required U.S. Government authorization. Pursuant to Section 560.204 of the Iranian Transactions Regulations (“ITR”)⁴ maintained by the U.S. Department of the Treasury’s Office of Foreign Assets Control (“OFAC”), an export to a third country intended for transshipment to Iran is a transaction that requires OFAC authorization. Pursuant to Section 746.7 of the Regulations, no person may engage in the exportation of an item subject to both the Regulations and the ITR without authorization from OFAC. No OFAC authorization was sought or obtained for the transaction described herein. Rahimzadeh took this action after having been asked by Parto Abgardan Cooling Towers Co. (“Parto Abgardan”), an Iranian company, to arrange for the export of the items to Iran “via Dubai.” Parto Abgardan did not have a location in the U.A.E., and the address to which Rahimzadeh arranged for the items to be exported, “c/o Parto Abgardan,” was in fact subsequently added to the BIS Unverified List of entities involved in transactions in which BIS is unable to verify the existence or authenticity of the end-user or other party to the transaction, published in the *Federal Register* on October 19, 2006. 71 Fed. Reg. 61,706 (Oct. 19, 2006).

In so doing, Rahimzadeh committed one violation of Section 764.2(b) of the Regulations.

Charge 2 15 C.F.R. § 764.2(e) – Acting with Knowledge of a Violation

Between on or about July 26, 2004, and on or about September 28, 2004, Rahimzadeh ordered or financed items to be exported from the United States with knowledge that a violation of the Regulations was occurring, was about to occur or was intended to occur in connection with the items. Specifically, between on or about July 26, 2004, and on or about September 28, 2004, Rahimzadeh ordered or financed approximately 174 rolls of hog hair filter media, part number HH60130 and valued at approximately \$11,687.76, items which are subject to the Regulations and designated as EAR99, which Rahimzadeh knew would be exported to Iran via the U.A.E. without the required U.S. Government authorization. Pursuant to Section 560.204 of the ITR, an export to a third country intended for transshipment to Iran is a transaction that requires OFAC authorization. Pursuant to Section 746.7 of the Regulations, no person may engage in the exportation of an item subject to both the Regulations and the ITR without authorization from OFAC. Rahimzadeh knew that no OFAC authorization was sought or obtained for the transaction described herein.

Rahimzadeh had knowledge that a violation was occurring, was about to occur or was intended to occur in connection with the items because he was aware of the U.S. embargo of Iran and had knowledge that exporting items through the U.A.E. to Iran was a violation of U.S. law. Rahimzadeh stated to a BIS Office of Export Enforcement special agent in an interview on or about October 14, 2005, that approximately three years earlier he had become aware of sanctions barring the shipment of items to Iran and that he understood that knowingly shipping items to Iran through a third country was illegal. Rahimzadeh referred to this type of activity as “diverting” items to Iran. Moreover, on or about September 23, 1997, Rahimzadeh had issued a

letter to Parto Abgardan stating, "I am trying to find a way to send the components that I promised to you. Unfortunately after many unsuccessful attempts, I came to a conclusion that the only way to open this channel is what you were thinking, and if I understood correctly, you are going to have some kind of agent or office in one of the Gulf countries. I tell you this that I would have no problem getting a container to my place and loading to a steam ship toward Dubai. . . . Many shipping companies express that you shouldn't have any major problem getting the goods to Tehran from Dubai."

In so doing, Rahimzadeh committed one violation of Section 764.2(e) of the Regulations.

Charge 3 15 C.F.R. § 764.2(b) – Causing, Aiding or Abetting

Between on or about February 9, 2005, and on or about April 19, 2005, Rahimzadeh caused, aided, or abetted the doing of an act prohibited by the Regulations by facilitating or coordinating the export of approximately 185 rolls of hog hair filter media, part number HHB60130 and valued at approximately \$9,838.30, items which are subject to the Regulations and designated as EAR99 items, through the U.A.E. to Iran without the required U.S. Government authorization. Pursuant to Section 560.204 of the ITR maintained by OFAC, an export to a third country intended for transshipment to Iran is a transaction that requires OFAC authorization. Pursuant to Section 746.7 of the Regulations, no person may engage in the exportation of an item subject to both the Regulations and the ITR without authorization from OFAC. No OFAC authorization was sought or obtained for the transaction described herein.

Specifically, after exporting certain hog hair filter media to Parto Abgardan in Iran, as described in Charges 1-2, Rahimzadeh was informed by Parto Abgardan that the items were not exactly the same as a sample Rahimzadeh had previously brought to Parto Abgardan before the transaction described in Charges 1-2 occurred. Rahimzadeh received from Parto Abgardan a piece of the original sample as well as a piece of the items described in Charges 1-2. Rahimzadeh then provided both pieces to the U.S. distributor, and placed a new order for 185 rolls of hog hair filter media, part number HHB60130, with the U.S. distributor. Rahimzadeh arranged for the U.S. distributor to supply the items, which were destined for Iran, to a freight forwarder for initial shipment to the U.A.E., "c/o Parto Abgardan." Parto Abgardan did not have a location in the U.A.E., and the address to which Rahimzadeh arranged for the items to be exported, "c/o Parto Abgardan," was in fact added to the BIS Unverified List of entities involved in transactions in which BIS is unable to verify the existence or authenticity of the end-user or other party to the transaction, published in the *Federal Register* on October 19, 2006. 71 Fed. Reg. 61,706 (Oct. 19, 2006).

In so doing, Rahimzadeh committed one violation of Section 764.2(b) of the Regulations.

Charge 4 15 C.F.R. § 764.2(e) – Acting with Knowledge of a Violation

Between on or about February 9, 2005, and on or about April 19, 2005, Rahimzadeh ordered items to be exported from the United States with knowledge that a violation of the Regulations was occurring, was about to occur or was intended to occur in connection with the items. Specifically, between on or about February 9, 2005, and on or about April 19, 2005, Rahimzadeh

ordered approximately 185 rolls of hog hair filter media, part number HHB60130 and valued at approximately \$9,838.30, items which are subject to the Regulations and designated as EAR99, which Rahimzadeh knew would be exported to Iran via the U.A.E. without the required U.S. Government authorization. Pursuant to Section 560.204 of the ITR, an export to a third country intended for transshipment to Iran is a transaction that requires OFAC authorization. Pursuant to Section 746.7 of the Regulations, no person may engage in the exportation of an item subject to both the Regulations and the ITR without authorization from OFAC. Rahimzadeh knew that no OFAC authorization was sought or obtained for the transaction described herein.

Rahimzadeh had knowledge that a violation was occurring, was about to occur or was intended to occur in connection with the items because Rahimzadeh was aware of the U.S. embargo of Iran and had knowledge that exporting items through the U.A.E. to Iran was a violation of U.S. law. Rahimzadeh stated to a BIS Office of Export Enforcement special agent in an interview on or about October 14, 2005, that approximately three years earlier he had become aware of sanctions barring the shipment of items to Iran and that he understood that knowingly shipping items to Iran through a third country was illegal. Rahimzadeh referred to this type of activity as "diverting" items to Iran. Moreover, on or about September 23, 1997, Rahimzadeh had issued a letter to Parto Abgardan stating, "I am trying to find a way to send the components that I promised to you. Unfortunately after many unsuccessful attempts, I came to a conclusion that the only way to open this channel is what you were thinking, and if I understood correctly, you are going to have some kind of agent or office in one of the Gulf countries. I tell you this that I would have no problem getting a container to my place and loading to a steam ship toward Dubai. . . . Many shipping companies express that you shouldn't have any major problem getting the goods to Tehran from Dubai."

In so doing, Rahimzadeh committed one violation of Section 764.2(e) of the Regulations.

WHEREAS, BIS and Rahimzadeh have entered into a Settlement Agreement pursuant to Section 766.18(b) of the Regulations, whereby they agreed to settle this matter in accordance with the terms and conditions set forth therein; and

WHEREAS, I have approved of the terms of such Settlement Agreement;

IT IS THEREFORE ORDERED:

FIRST, Rahimzadeh shall be assessed a civil penalty in the amount of \$100,000, the payment of which shall be suspended for a period of ten (10) years from the date of this Order, and thereafter shall be waived, provided that during the period of suspension, Rahimzadeh has committed no violation of the Act, or any regulation, order, or license issued thereunder.

SECOND, that for a period of ten (10) years from the date of this Order, Rahimzadeh, his representatives, assigns or agents (“Denied Person”) may not participate, directly or indirectly, in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations, including, but not limited to:

- A. Applying for, obtaining, or using any license, License Exception, or export control document;
- B. Carrying on negotiations concerning, or ordering, buying, receiving, using, selling, delivering, storing, disposing of, forwarding, transporting, financing, or otherwise servicing in any way, any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations; or
- C. Benefitting in any way from any transaction involving any item exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations.

THIRD, that no person may, directly or indirectly, do any of the following:

- A. Export or reexport to or on behalf of the Denied Person any item subject to the Regulations;
- B. Take any action that facilitates the acquisition or attempted acquisition by the Denied Person of the ownership, possession, or control of any item subject to the Regulations that has been or will be exported from the United States, including financing or other support activities related to a transaction

whereby the Denied Person acquires or attempts to acquire such ownership, possession or control;

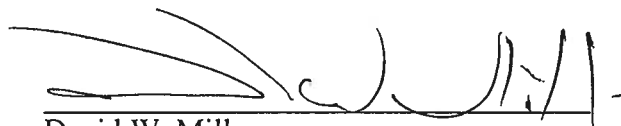

- C. Take any action to acquire from or to facilitate the acquisition or attempted acquisition from the Denied Person of any item subject to the Regulations that has been exported from the United States;
- D. Obtain from the Denied Person in the United States any item subject to the Regulations with knowledge or reason to know that the item will be, or is intended to be, exported from the United States; or
- E. Engage in any transaction to service any item subject to the Regulations that has been or will be exported from the United States and which is owned, possessed or controlled by the Denied Person, or service any item, of whatever origin, that is owned, possessed or controlled by the Denied Person if such service involves the use of any item subject to the Regulations that has been or will be exported from the United States. For purposes of this paragraph, servicing means installation, maintenance, repair, modification or testing.

FOURTH, that, after notice and opportunity for comment as provided in Section 766.23 of the Regulations, any person, firm, corporation, or business organization related to Rahimzadeh by affiliation, ownership, control, or position of responsibility in the conduct of trade or related services may also be made subject to the provisions of this Order.

FIFTH, that the Charging Letter, the Settlement Agreement, and this Order shall be made available to the public.

SIXTH, that this Order shall be served on the Denied Person and on BIS, and shall be published in the *Federal Register*.

This Order, which constitutes the final agency action in this matter, is effective immediately.

SETTLEMENT AGREEMENT

This Settlement Agreement (“Agreement”) is made by and between Bob Rahimzadeh (“Rahimzadeh”) and the Bureau of Industry and Security, U.S. Department of Commerce (“BIS”) (collectively, the “Parties”), pursuant to Section 766.18(b) of the Export Administration Regulations (currently codified at 15 C.F.R. Parts 730-774 (2009)) (the “Regulations”),¹ issued pursuant to the Export Administration Act of 1979, as amended (50 U.S.C. app. §§ 2401-2420 (2000)) (the “Act”).²

WHEREAS, BIS initiated this administrative proceeding by issuing and filing a charging letter as to Rahimzadeh on July 23, 2009 (“Charging Letter”), and provided notice to Rahimzadeh of the issuance of the Charging Letter pursuant to Part 766 of the Regulations;

¹ The violations alleged to have been committed occurred in 2004 and 2005. The Regulations governing the violation at issue are found in the 2004 and 2005 versions of the Code of Federal Regulations (15 C.F.R. Parts 730-774 (2004 - 2005)). The 2009 Regulations establish the procedures that apply to this matter.

Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222 of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), which has been extended by successive Presidential Notices, the most recent being that of August 13, 2009 (74 Fed. WHEREAS, the Charging Letter alleges that Rahimzadeh has committed four violations of the Regulations, specifically:

Charge 1 15 C.F.R. § 764.2(b) – Causing, Aiding or Abetting

Between on or about July 26, 2004, and on or about September 28, 2004, Rahimzadeh caused, aided or abetted the doing of an act prohibited by the Regulations by facilitating or coordinating the export of approximately 174 rolls of hog hair filter media, part number HH60130 and valued at approximately \$11,687.76, items which are subject to the Regulations and designated as EAR99 items,³ through the United Arab Emirates (“U.A.E.”) to Iran without the required U.S. Government authorization. In so doing, Rahimzadeh committed one violation of Section 764.2(e) of the Regulations.

Charge 3 15 C.F.R. § 764.2(b) – Causing, Aiding or Abetting

Between on or about February 9, 2005, and on or about April 19, 2005, Rahimzadeh caused, aided, or abetted the doing of an act prohibited by the Regulations by facilitating or coordinating the export of approximately 185 rolls of hog hair filter media, part number HHB60130 and valued at approximately \$9,838.30, items which are subject to the Regulations and designated as EAR99 items, through the U.A.E. to Iran without the required U.S. Government authorization. In so doing, Rahimzadeh committed one violation of Section 764.2(b) of the Regulations.

Charge 4 15 C.F.R. § 764.2(e) – Acting with Knowledge of a Violation

Between on or about February 9, 2005, and on or about April 19, 2005, Rahimzadeh ordered items to be exported from the United States with knowledge that a violation of the Regulations was occurring, was about to occur or was intended to occur in connection with the items. In so doing, Rahimzadeh committed one violation of Section 764.2(e) of the Regulations.

WHEREAS, Rahimzadeh has reviewed the Charging Letter and is aware of the allegations made against him and the administrative sanctions which could be imposed against him if the allegations are found to be true;

WHEREAS, Rahimzadeh states that no promises or representations have been made to it other than the agreements and considerations herein expressed;

WHEREAS, Rahimzadeh neither admits nor denies the allegations contained in the Charging Letter;

WHEREAS, the Parties wish to settle and dispose of all matters alleged in the Charging Letter by entering into this Agreement; and

WHEREAS, the Parties agree to be bound by the Order, if entered;

NOW THEREFORE, the Parties hereby agree as follows:

1. BIS has jurisdiction under the Regulations, the Act and IEEPA over the items described in the Charging Letter and over Rahimzadeh in connection with the matters alleged in the Charging Letter.

2. The following sanction shall be imposed against Rahimzadeh in complete settlement of the alleged violations of the Regulations relating to the transactions detailed in the Charging Letter:

a. Rahimzadeh shall be assessed a civil penalty in the amount of \$100,000, all of which shall be suspended for a period of ten years from the date of the Order, and thereafter shall be waived, provided that during the period of suspension, Rahimzadeh has committed no violation of the Act, or any regulation, order, or license issued thereunder.

b. For a period of ten (10) years from the date of the Order, Rahimzadeh, his representatives, assigns or agents (“Denied Person”) may not participate, directly or indirectly, in any way in any transaction involving any commodity, software or technology (hereinafter collectively referred to as “item”) exported or to be exported from the United States that is subject to the Regulations, or in any other activity subject to the Regulations, including, but not limited to:

Subject to the approval of this Agreement pursuant to paragraph 8 hereof, Rahimzadeh hereby waives any claims by or on behalf of Rahimzadeh, whether asserted or unasserted, against BIS, the U.S. Department of Commerce, and/or their officials and employees arising out of the facts and circumstances giving rise to the matters that resulted in this Agreement, including, but not limited to, BIS's investigation of the facts and circumstances giving rise to the issuance of the Charging Letter and the violations alleged therein. Rahimzadeh also hereby waives any possible legal objections to this Agreement at any future date and all rights to further procedural steps in this matter (except with respect to any alleged violations of this Agreement or the Order, if issued), including, but not limited to, any right to: (a) an administrative hearing regarding the allegations in any proposed charging letter or charging letter; (b) request a refund of any civil penalty paid pursuant to this Agreement and the Order, if issued; and (c) seek judicial review or otherwise contest the validity of this Agreement or the Order, if issued.

4. Upon entry of the Order, BIS will not initiate any further administrative proceedings against Rahimzadeh in connection with any violation of the Act or the Regulations arising out of the transactions specifically detailed in the Charging Letter.

5. BIS will make the Charging Letter, this Agreement, and the Order, if issued, available to the public.

6. This Agreement is for settlement purposes only. Therefore, if this Agreement is not accepted and the Order is not issued by the Assistant Secretary of Commerce for Export Enforcement pursuant to Section 766.18(b) of the Regulations, no Party may use this Agreement in any administrative or judicial proceeding and the Parties

shall not be bound by the terms contained in this Agreement in any subsequent administrative or judicial proceeding.

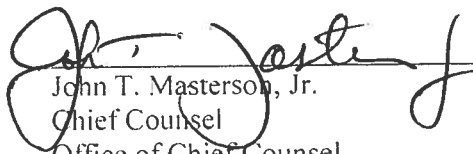

7. No oral agreement, understanding, representation or interpretation not contained in this Agreement may be used to vary or otherwise affect the terms of this Agreement or the Order, if entered, nor shall this Agreement serve to bind, constrain, or otherwise limit any action by any other agency or department of the U.S. Government with respect to the facts and circumstances addressed herein.

8. This Agreement shall become binding on the Parties only if the Assistant Secretary of Commerce for Export Enforcement approves it by entering the Order, which will have the same force and effect as a decision and order issued after a full administrative hearing on the record.

CHARGING LETTER

CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Bob Rahimzadeh
116 Hopper Lane
Folsom, CA 95630

Dear Mr. Rahimzadeh:

The Bureau of Industry and Security, U.S. Department of Commerce (“BIS”), has reason to believe that you, Bob Rahimzadeh (“Rahimzadeh”), in your individual capacity, have committed four violations of the Export Administration Regulations (the Regulations”),¹ which are issued under the authority of the Export Administration Act of 1979, as amended (the “Act”).² Specifically, BIS charges that Rahimzadeh committed the following violations:

Charge 1 15 C.F.R. § 764.2(b) – Causing, Aiding or Abetting

Between on or about July 26, 2004, and on or about September 28, 2004, Rahimzadeh caused, aided or abetted the doing of an act prohibited by the Regulations by facilitating or coordinating the export of approximately 174 rolls of hog hair filter media, part number HH60130 and valued at approximately \$11,687.76, items which are subject to the Regulations and designated as EAR99 items,³ through the United Arab Emirates (“U.A.E.”) to Iran without the required U.S. Government authorization. Pursuant to Section 560.204 of the Iranian Transactions Regulations (“ITR”)⁴ maintained by the U.S. Department of the Treasury’s Office of Foreign Assets Control (“OFAC”), an export to a third country intended for transshipment to Iran is a transaction that requires OFAC authorization. Pursuant to Section 746.7 of the Regulations, no person may engage in the exportation of an item subject to both the Regulations and the ITR without authorization from OFAC. No OFAC authorization was sought or obtained for the transaction described herein.

¹ The Regulations are currently codified in the Code of Federal Regulations at 15 C.F.R. Parts 730-774 (2009). The charged violations occurred in 2004 and 2005. The Regulations governing the violations at issue are found in the 2004 through 2005 versions of the Code of Federal Regulations (15 C.F.R. Parts 730-774 (2004-2005)). The 2009 Regulations set forth the procedures that apply to this matter.

² 50 U.S.C. app. §§ 2401-2420 (2000). Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13,222 of August 17, 2001 (3 C.F.R., 2001 Comp. 783 (2002)), as extended most recently by the Notice of July 23, 2008 (73 Fed. Reg. 43,603 (July 25, 2008)), has continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. §§ 1701-1707 (2000)).

³ EAR99 is a designation for items subject to the Regulations but not listed on the Commerce Control List. 15 C.F.R. § 734.3(c).

⁴ 31 C.F.R. Part 560.

Rahimzadeh took this action after having been asked by Parto Abgardan Cooling Towers Co. ("Parto Abgardan"), an Iranian company, to arrange for the export of the items to Iran "via Dubai." Parto Abgardan did not have a location in the U.A.E., and the address to which Rahimzadeh arranged for the items to be exported, "c/o Parto Abgardan," was in fact subsequently added to the BIS Unverified List of entities involved in transactions in which BIS is unable to verify the existence or authenticity of the end-user or other party to the transaction, published in the *Federal Register* on October 19, 2006. 71 Fed. Reg. 61,706 (Oct. 19, 2006).

In so doing, Rahimzadeh committed one violation of Section 764.2(b) of the Regulations.

Charge 2 15 C.F.R. § 764.2(e) – Acting with Knowledge of a Violation

Between on or about July 26, 2004, and on or about September 28, 2004, Rahimzadeh ordered or financed items to be exported from the United States with knowledge that a violation of the Regulations was occurring, was about to occur or was intended to occur in connection with the items. Specifically, between on or about July 26, 2004, and on or about September 28, 2004, Rahimzadeh ordered or financed approximately 174 rolls of hog hair filter media, part number HH60130 and valued at approximately \$11,687.76, items which are subject to the Regulations and designated as EAR99, which Rahimzadeh knew would be exported to Iran via the U.A.E. without the required U.S. Government authorization. Pursuant to Section 560.204 of the ITR, an export to a third country intended for transshipment to Iran is a transaction that requires OFAC authorization. Pursuant to Section 746.7 of the Regulations, no person may engage in the exportation of an item subject to both the Regulations and the ITR without authorization from OFAC. Rahimzadeh knew that no OFAC authorization was sought or obtained for the transaction described herein.

Rahimzadeh had knowledge that a violation was occurring, was about to occur or was intended to occur in connection with the items because he was aware of the U.S. embargo of Iran and had knowledge that exporting items through the U.A.E. to Iran was a violation of U.S. law. Rahimzadeh stated to a BIS Office of Export Enforcement special agent in an interview on or about October 14, 2005, that approximately three years earlier he had become aware of sanctions barring the shipment of items to Iran and that he understood that knowingly shipping items to Iran through a third country was illegal. Rahimzadeh referred to this type of activity as "diverting" items to Iran. Moreover, on or about September 23, 1997, Rahimzadeh had issued a letter to Parto Abgardan stating, "I am trying to find a way to send the components that I promised to you. Unfortunately after many unsuccessful attempts, I came to a conclusion that the only way to open this channel is what you were thinking, and if I understood correctly, you are going to have some kind of agent or office in one of the Gulf countries. I tell you this that I would have no problem getting a container to my place and loading to a steam ship toward Dubai. . . . Many shipping companies express that you shouldn't have any major problem getting the goods to Tehran from Dubai."

In so doing, Rahimzadeh committed one violation of Section 764.2(e) of the Regulations.

Charge 3 15 C.F.R. § 764.2(b) – Causing, Aiding or Abetting

Between on or about February 9, 2005, and on or about April 19, 2005, Rahimzadeh caused, aided, or abetted the doing of an act prohibited by the Regulations by facilitating or coordinating the export of approximately 185 rolls of hog hair filter media, part number HHB60130 and valued at approximately \$9,838.30, items which are subject to the Regulations and designated as EAR99 items, through the U.A.E. to Iran without the required U.S. Government authorization. Pursuant to Section 560.204 of the ITR maintained by OFAC, an export to a third country intended for transshipment to Iran is a transaction that requires OFAC authorization. Pursuant to Section 746.7 of the Regulations, no person may engage in the exportation of an item subject to both the Regulations and the ITR without authorization from OFAC. No OFAC authorization was sought or obtained for the transaction described herein.

Specifically, after exporting certain hog hair filter media to Parto Abgardan in Iran, as described in Charges 1-2, Rahimzadeh was informed by Parto Abgardan that the items were not exactly the same as a sample Rahimzadeh had previously brought to Parto Abgardan before the transaction described in Charges 1-2 occurred. Rahimzadeh received from Parto Abgardan a piece of the original sample as well as a piece of the items described in Charges 1-2. Rahimzadeh then provided both pieces to the U.S. distributor, and placed a new order for 185 rolls of hog hair filter media, part number HHB60130, with the U.S. distributor. Rahimzadeh arranged for the U.S. distributor to supply the items, which were destined for Iran, to a freight forwarder for initial shipment to the U.A.E., “c/o Parto Abgardan.” Parto Abgardan did not have a location in the U.A.E., and the address to which Rahimzadeh arranged for the items to be exported, “c/o Parto Abgardan,” was in fact added to the BIS Unverified List of entities involved in transactions in which BIS is unable to verify the existence or authenticity of the end-user or other party to the transaction, published in the *Federal Register* on October 19, 2006. 71 Fed. Reg. 61,706 (Oct. 19, 2006).

In so doing, Rahimzadeh committed one violation of Section 764.2(b) of the Regulations.

Charge 4 15 C.F.R. § 764.2(e) – Acting with Knowledge of a Violation

Between on or about February 9, 2005, and on or about April 19, 2005, Rahimzadeh ordered items to be exported from the United States with knowledge that a violation of the Regulations was occurring, was about to occur or was intended to occur in connection with the items. Specifically, between on or about February 9, 2005, and on or about April 19, 2005, Rahimzadeh ordered approximately 185 rolls of hog hair filter media, part number HHB60130 and valued at approximately \$9,838.30, items which are subject to the Regulations and designated as EAR99, which Rahimzadeh knew would be exported to Iran via the U.A.E. without the required U.S. Government authorization. Pursuant to Section 560.204 of the ITR, an export to a third country intended for transshipment to Iran is a transaction that requires OFAC authorization. Pursuant to Section 746.7 of the Regulations, no person may engage in the exportation of an item subject to both the Regulations and the ITR without authorization from OFAC. Rahimzadeh knew that no OFAC authorization was sought or obtained for the transaction described herein.

Rahimzadeh had knowledge that a violation was occurring, was about to occur or was intended to occur in connection with the items because Rahimzadeh was aware of the U.S. embargo of Iran and had knowledge that exporting items through the U.A.E. to Iran was a violation of U.S. law. Rahimzadeh stated to a BIS Office of Export Enforcement special agent in an interview on or about October 14, 2005, that approximately three years earlier he had become aware of sanctions barring the shipment of items to Iran and that he understood that knowingly shipping items to Iran through a third country was illegal. I tell you this that I would have no problem getting a container to my place and loading to a steam ship toward Dubai. . . . Many shipping companies express that you shouldn’t have any major problem getting the goods to Tehran from Dubai.”

In so doing, Rahimzadeh committed one violation of Section 764.2(e) of the Regulations.
